

## CURRICULUM VITAE

NAME: Steven R. Goldstein, M.D.

BUSINESS ADDRESS:  
314 East 34<sup>th</sup> Street, 5<sup>th</sup> Floor  
New York, New York 10016

PLACE OF BIRTH: Passaic, New Jersey

CITIZENSHIP: United States

BUSINESS TELEPHONE: 212-717-5554

EMAIL: [steven.goldstein@nyulangone.org](mailto:steven.goldstein@nyulangone.org)

---

### EDUCATION AND TRAINING

#### UNDERGRADUATE:

1967 - 1971 Colgate University B.A. Biology major with honors  
Hamilton, New York Magna Cum Laude, Austen Colgate Scholar

#### GRADUATE:

1971 -1975 New York University School of Medicine  
New York, New York M.D.

#### POST GRADUATE:

7/75 - 6/76 Parkland Memorial Hospital PGY-1 in Obstetrics and Gynecology Program Director  
Dallas, Texas Norman Gant,  
M.D.

7/76 - 6/80 New York University Resident in Obstetrics and Gynecology Program Director  
Affiliated Hospitals - Robert F. Porges, M.D.  
Bellevue Hospital Center  
New York, New York

---

### APPOINTMENTS AND POSITIONS

#### ACADEMIC:

1980 -1981	Clinical Instructor (Ob-Gyn) New York University School of Medicine
1981 -1988	Clinical Assistant Professor New York University School of Medicine
1988 -1993	Assistant Professor of Obstetrics & Gynecology New York University School of Medicine
1993 -1996	Associate Professor of Obstetrics & Gynecology (with tenure) New York University School of Medicine
1996 -	Professor of Obstetrics and Gynecology (with tenure) New York University School of Medicine

NON-ACADEMIC POSITIONS:

1980 -1997	Founder and Advisor Resident's Journal Club Department of Obstetrics & Gynecology School of Medicine New York University School of Medicine
1993 - 1995	Director of Ultrasound Women's Wellness Center New York University Medical Center
1995 - 2020	Director of Gynecologic Ultrasound Department of Obstetrics and Gynecology New York University Medical Center
1997 - 2016	Co-Director Bone Densitometry Department of Obstetrics and Gynecology New York University Medical Center
2008 – 2020	Associate Director Third Year Medical Student Clinical Clerkship

---

CERTIFICATION AND LICENSURE

1975	Diplomate National Board of Medical Examiners
------	--

1976 New York State, License #127950  
1981-2002 New Jersey, License #MA41162

SPECIALTY CERTIFICATION:

1983 American Board of Obstetrics and Gynecology  
2001 Certified Menopause Clinician, North American Menopause Society  
2001 Certified Clinical Densitometrist, International Society of Clinical Densitometry  
2001 Certified American Society of Clinical Densitometrist  
2003 Recertification, American Board of Obstetrics and Gynecology  
2004 Recertification, American Society of Clinical Densitometrist  
2005 Recertification, American Board of Obstetrics and Gynecology  
2006 Recertification, American Board of Obstetrics and Gynecology  
2007 Recertification, American Board of Obstetrics and Gynecology  
2008 Recertification, American Board of Obstetrics and Gynecology  
2009 Recertification, American Board of Obstetrics and Gynecology  
2011 Recertification, American Board of Obstetrics and Gynecology

---

GRANTS AND RESEARCH:

Principal Site Investigator  
Transvaginal Uterine Ultrasound and Hormone Replacement Therapy  
Wyeth-Ayerst  
Study 713 X 405-US  
1993 -1994

Principal Site Investigator  
Assessment of Effects on Early Postmenopausal Women  
Eli Lilly  
Study H35 MC GGHD  
1995 - 1997

Principal Site Investigator  
Chief Reporting Investigator for FDA Sign Off Raloxifene  
Premarin and Placebo  
Eli Lilly  
Study H35 MC GGHG  
1995 - 1997

Co-Investigator  
The Helena Rubinstein Foundation  
The Effect of Tamoxifen on the Reproductive System of Menopausal and Perimenopausal  
Women with Breast Cancer  
1995 - 1997

Co-Principal Site Investigator  
STAR (Study of Tamoxifen And Raloxifene)  
National Cancer Institution  
1999 -2005

Principal Site Investigator  
A Randomized Double-Blind, Multicenter, 24 week study to assess bleeding patterns in  
postmenopausal women taking femhrt and Prempro  
Pfizer  
2002 - 2003

Principal Site Investigator  
Phase III study of the efficacy and safety of lasofoxifene in the treatment of vaginal atrophy in  
postmenopausal women  
Pfizer  
2003 - 2005

Principal Investigator  
An 18-Month, Multicenter, Parallel-Group Study to Determine the Relative efficacy of  
Risedronate Versus Raloxifene in Subjects Who Have Discontinued Hormone Replacement  
Therapy (HRT) for Early Intervention in Osteoporosis.  
Aventis  
2004 - 2007

Subinvestigator  
Study of Duloxetine HCl in Women of Different Demographic Characteristics and Co-  
morbidities with Stress Urinary Incontinence: Evaluation of Efficacy and Safety.  
Protocol F1J-US-SBCD  
Eli Lilly  
2004 -2005

Principal Investigator

A Prospective, Open-Label, Multi-Center, Two-Part Study to Investigate Patient Satisfaction with Monthly Dosed Ibandronate Therapy in Women with Postmenopausal Osteoporosis or Osteopenia Transitioned from Once-Weekly Alendronate or Risedronate.  
Protocol # ML18056  
Roche  
2004 – 2006

Principal Investigator  
A prospective, open-label, multicenter study to evaluate the change in bone turnover markers after once monthly oral ibandronate therapy in treatment naïve postmenopausal osteoporosis patients.  
Protocol #ML18057  
Roche  
2005- 2006

Principal Investigator  
A Multcenter, Prospective, Observational study to determine the pattern of care and health and economic outcomes associated with bone loss in postmenopausal women  
Protocol # 20040186-536  
Amgen  
2006

Principal Investigator  
DHEA against vaginal atrophy safety study of 12 months.  
Protocol # ERC-230 Study  
EndoCeutics, Inc.  
2010

Principal Investigator  
Placebo-controlled, double-blind and randomized phase III study of 3-month intravaginalk DHEA  
Protocol # ERC-231 Study  
2010

Principal Investigator  
An open label study to evaluate the contraceptive efficacy and safety of norethindrone acetate transdermal delivery system  
Protocol # NE0906  
Watson  
2011

Sub-Investigator

A randomized, parallel-group, double-blind, placebo-controlled, multi-center study to assess the efficacy and safety of different doses of BAY 1002670 in subjects with uterine fibroids.

Protocol 15788

Bayer

2014

Principal Investigator

A Randomized, Double-blind, Double-dummy, Parallel- Group, Multi-center Phase IIb Study to Assess the Efficacy and Safety of Different Dose Combinations of an Aromatase Inhibitor and a Progestin in an Intravaginal Ring Versus Placebo and Leuprorelin / Leuprolide Acetate in Women with Symptomatic Endometriosis Over a 12-week Treatment Period

Protocol 15832

Bayer

2014

Principal Investigator

A Multicenter, Randomized, Double-Blind, Placebo-Controlled Study of the Efficacy and Safety of a Single-Dose of COL-1077 in Women Undergoing Transvaginal Pipelle-Directed Endometrial Biopsy

Protocol COL-1077

Juniper Pharmaceuticals, Inc.

2015

Principal Investigator

A Phase 3, Randomized, Double-blind, Placebo controlled Multicenter Study to Evaluate the Efficacy and Safety of Ospemifene in Patients with Moderate to Severe Vaginal Dryness, a Symptom of Vulvo-vaginal Atrophy (VVA) due to Menopause.

Protocol 1517I0231

Shionogi Inc.

2016

Principal Investigator

An International Phase 3 Randomized, Double-Blind, Placebo-Controlled Efficacy and Safety Study to Evaluate Relugolix Administered with and without Low-Dose Estradiol and Norethindrone Acetate in women with Endometriosis-Associated Pain.

Protocol MVT-601-3102

Myovant Sciences

2017

Principal Investigator

An International Phase 3 Double-Blind, Placebo-Controlled, Randomized Withdrawal Study of Relugolix With Estradiol and Norethindrone Acetate in Women With Heavy Menstrual Bleeding Associated With Uterine Fibroids

Protocol MVT-601-3002

Myovant Sciences  
2018

Sub-Investigator

A Randomized, Double-Blind, Placebo-Controlled, Phase 2 Trial Assessing the Efficacy, Safety and Dose-Response of Quinagolide Extended-Release Vaginal Rings Administered Sequentially for 8 Menstrual Cycles in Women with Moderate to Severe Endometriosis-Related Pain.

Protocol 00165

Ferring Pharmaceuticals

2018

Principal Investigator

Viveve Geneveve Treatment of the Vaginal Introitus to Evaluate Safety and Efficacy

Protocol VI-15-01

Viveve Inc.

2018

Principal Investigator

Effect of intravaginal Prasterone (DHEA) on Moderate to Severe Dyspareunia, a Symptom of Vulvovaginal Atrophy Due to Menopause, in Women Under treatment with an Aromatase Inhibitor for Breast Cancer – (Placebo-Controlled, Double-Blind and Randomized).

Protocol ERC-260

EndoCeutics Inc.

2018

Principal Investigator

A Phase 3, Randomized, Placebo-controlled, 12-week Double-blind Study, Followed by a Non-Controlled Extension Treatment Period, to Assess the Efficacy and Safety of Fezolinetant in Women Suffering From Moderate to Severe Vasomotor Symptoms (Hot Flashes) Associated With Menopause.

Protocol 2693-CL-0301/0302/0304

Astellas Pharma Global Development Inc.

2019

Principal Investigator

Incidence of the Ability to Successfully Image the Endometrial Echo on Transvaginal Ultrasound in Asymptomatic Postmenopausal Women

Study s19-00307

NYU Langone Health

2019

Co-Principal Investigator

The Achieving Menopausal health Equity Network (AMEN)

Pfizer GMG Independent Medical Education – Grant number 68075517  
2021 – Present

OTHER RESEARCH RELATED ACTIVITIES:

1986 - Present	Special Reviewer International Journal of Obstetrics and Gynecology
1987 - Present	Special Reviewer American Journal of Obstetrics and Gynecology
1990 - 1998	Special Reviewer Journal of Clinical Ultrasound
1992 - Present	Special Reviewer Fertility and Sterility
1992 - Present	Special Reviewer Journal of Ultrasound in Obstetrics and Gynecology
1993 - Present	Editorial Board Journal of Diagnostic Medical Sonographers
1994 -1998	Editorial Board The Medical Tribune, Ob Gyn
1994 - 2008	Chairman Scientific Paper Review: Gynecology American Institute of Ultrasound in Medicine Annual Meeting
1997 - Present	Advisory Panel Member Ultrasound Section of OBGYN.net
1997 - Present	Editorial Board Journal of Clinical Ultrasound
1998 - 2004	American College of Ob/Gyn liaison to the American College Radiology Women's Health Imaging Panel
1998 - 2010	Editorial Board OB-GYN Ultrasound Today
1998 - 2005	Board Examiner American Board of Obstetrics and Gynecology

Oral Exams

1999 - 2001	American College of Ob/Gyn liaison member of AHCPR funded Duke University Policy Center Study Management of fibroids
1999 - Present	Editorial Board Menopause, The Journal of the North American Menopause Society
1999 - 2007	Editorial Board Ultrasound in Obstetrics & Gynecology
2000 – 2020	Editorial Board Journal of Ultrasound in Medicine
2000 – 2020	Editorial Board, Associate Editor Journal of Ultrasound in Medicine
2003 – 2005	Editorial Advisory Board Contemporary ObGyn
2003 – 2010	Editorial Advisory Board Menopausal Management
2004 – Present	American Journal of Obstetrics and Gynecology Subspecialty Area Editor – Gynecologic Ultrasound
2005 – 2010	Editorial Advisory Board Current Medical Imaging Reviews
2006 – 2023	Editorial Board OBG Management
2008 – Present	Editorial Board Climacteric
2010-2016	Honorary Editorial Board Clinical Medicine: Reproductive Health

---

HONORS

Phi Beta Kappa, Colgate University, 1970

Austen Colgate Scholar, 1971

Who's Who in American Colleges and Universities, 1971

Magna Cum Laude, Colgate University, 1971

Honors in Biology, Colgate University, 1971

Samuel Soffer Award - Outstanding Student in Urology  
New York University Medical Center, 1975

Outstanding Paper in Obstetrics - 1988;  
Contemporary Ob-Gyn  
"New Insights Into Early Pregnancy"

1st Place Winner  
"Best of the Best" 1995  
Video Journal of Ob Gyn  
"Use of Transvaginal Sonography in the Evaluation of Ectopic Pregnancy"

Award  
The 13<sup>th</sup> Annual Rudy E. Sabbagha Lecture in Diagnostic Ultrasound  
Northwestern University  
Feinberg School of Medicine  
"The continuing evolution in the ultrasound evaluation of the endometrium"  
2010

Award  
"2013 Royal College Visiting Professorship in Medical Research"  
Royal College of Physicians and Surgeons of Canada  
2013

Award  
"2014 APGO Excellence in Teaching Award"  
Associate of Professors of Gynecology and Obstetrics and the Department of  
Obstetrics and Gynecology at NYU Langone Medical Center  
2014

Award  
Distinguished Alumnus Award  
The Bellevue Obstetrical and Gynecological Society  
2014

Elected Honorary Fellow  
Royal College of Obstetricians and Gynaecologists (United Kingdom)

2014

Award  
Alpha Omega Alpha  
NYU School of Medicine  
2015

Award  
Faculty Inductee of the Year  
Alpha Omega Alpha  
NYU School of Medicine  
2015

Award  
Thomas B. Clarkson Outstanding Clinical and Basic Science Research Award  
North American Menopause Society  
2016

Award  
Joseph H. Holmes Clinical Pioneer Award  
American Institute of Ultrasound in Medicine  
2019

Award  
Frye Memorial Lecturer  
American Institute of Ultrasound in Medicine  
2023

Award  
Ian Donald Gold Medal  
The International Society of Ultrasound in Obstetrics and Gynecology  
2023

Award  
Lifetime Achievement Award  
The Bellevue Obstetrical and Gynecological Society  
2024

#### MEMBERSHIPS IN PROFESSIONAL AND SCIENTIFIC SOCIETIES

1973 -1975	Committee on Admissions New York University School of Medicine
1976	American College of Obstetrics and Gynecology (Junior Fellow)

1977 – 1978	American College of Obstetrics and Gynecology District II Junior Fellow Chairperson
1977 – 1980	American College of Obstetrics and Gynecology Junior Fellow College Advisory Council
1978	American College of Obstetrics and Gynecology Annual Clinical Meeting Host Committee
1980	Bellevue Obstetrics and Gynecological Society
1980 – Present	New York State Medical Society
1980 – Present	New York County Medical Society
1980 – Present	American Institute of Ultrasound in Medicine
1981 – Present	American Society for Colposcopy and Cervical Pathology
1983 – 2002	New York Perinatal Society
1983 – Present	New York Gynecological Society
1984 – Present	American College of Obstetrics and Gynecology (Fellow)
1984 – 1992	American Institute of Ultrasound in Medicine (Senior Member)
1985 – 2000	American Society of Human Genetics
1985 – 1996	Gynecological Laser Society
1985 – 1987	American Institute of Ultrasound in Medicine Legislative Committee
1985 – 1987	Section on Ob-Gyn Ultrasound (American Institute of Ultrasound in Medicine) Executive Committee
1985 – 1990	American Institute of Ultrasound in Medicine Membership Committee
1986 – 1989	Tissue Review and Transfusion Service Committee

	Bellevue Hospital
1986 – 1990	American Institute of Ultrasound in Medicine Central Program Committee
1987 – 1990	American Institute of Ultrasound in Medicine Chairman, Membership Committee
1988 – 1989	American Institute of Ultrasound in Medicine CME Committee
1988 – 1989	Nominee, Board of Governors, American Institute of Ultrasound in Medicine
1988 – 1991	Board of Directors, Vice Chairman Friends of the Library New York University School of Medicine
1988 – 1993	Corresponding Secretary New York University School of Medicine Alumni Association
1988 – 2000	Board of Directors, American Registry of Diagnostic Medical Sonographers
1990 – Present	International Society of Ultrasound in Obstetrics & Gynecology
1990 – 1993	American Institute of Ultrasound in Medicine Media Committee
1991 – 1993	American Institute of Ultrasound in Medicine Ultrasound Practice Committee
1991 – 1994	American College of Obstetricians and Gynecologists Vice Chairman New York Section, District II
1991 – 2009	Board of Directors, Chairman Friends of the Library New York University School of Medicine
1992 – Present	American Institute of Ultrasound in Medicine (Fellow)
1993 – Present	New York Obstetrical Society

1993 – Present	North American Menopause Society
1993 – 1995	American Institute of Ultrasound in Medicine Ultrasound Practice Committee Chairman
1993 – 1995	New York University Independent Practice Association Executive Committee
1993 – 2002	Vice President New York University School of Medicine Alumni Association
1994 – Present	American Society of Reproductive Medicine
1994 – 1995	American Institute of Ultrasound in Medicine Secretary Treasurer Section on Ob Gyn Ultrasound
1994 – 1997	American College of Obstetricians and Gynecologists Chairman New York Section, District II
1994 – 2005	American College of Radiology Panel on Appropriateness Criteria – Women’s Imaging 1
1994 – 2009	American College of Radiology Panel on Women’s Imaging Breast
1995 – 1997	American Institute of Ultrasound in Medicine Vice Chairman Section on Ob Gyn Ultrasound
1995 – 1997	North American Menopause Society Annual Meeting Program Committee
1995 – 1999	American Institute of Ultrasound in Medicine Board of Governors
1997 – 1999	American Institute of Ultrasound in Medicine Chairman Section on Ob/Gyn Ultrasound

1997 – 2000	American College of Obstetrics and Gynecology Committee on Practice Bulletins - Gynecology
1998 – 2002	American Institute of Ultrasound in Medicine Finance Committee
1999 – 2001	American Institute of Ultrasound in Medicine Chairman Education & Research Fund
2001– 2009	International Society of Ultrasound in Obstetrics & Gynecology Program Committee
2001 – 2006	New York University School of Medicine Department of Ob/Gyn Faculty Council Representative
2002 – Present	American Gynecologic and Obstetrical Society Member
2002 – 2004	American Institute of Ultrasound in Medicine Board of Governors
2003 – 2004	New York University School of Medicine Alumni Association President Elect
2003 – 2004	North American Menopause Society Professional Education Committee Chair Elect
2003 – 2009	Library Committee New York University School of Medical
2003 – 2006	American College of Obstetrics and Gynecology Gynecologic Practice Committee
2003 – 2006	New York University School of Medicine Library Subcommittee for Strategic Planning, Chair
2003 – 2009	American College of Obstetrics and Gynecology Liaison to ACR Women’s Health Imaging
2004 – 2008	American Institute of Ultrasound in Medicine First Vice President

2004 – 2005	New York University School of Medicine Alumni Association President
2004 – 2005	North American Menopause Society Professional Education Committee Chair
2005 – 2012	North American Menopause Society Board of Trustees
2006 – Present	American Institute of Ultrasound in Medicine Liaison to American College of Obstetrics and Gynecology, Gyn Practice Committee
2007 – 2009	North American Menopause Society Treasurer
2008 – 2011	American Institute of Ultrasound in Medicine Treasurer
2009 – 2010	North American Menopausal Society President Elect
2010 –2011	North American Menopausal Society President
2010-2016	Planned Parenthood Federation National Medical Committee
2010 –	North American Menopause Society Chair, Program Committee Annual Meeting
2011 – 2013	American Institute of Ultrasound in Medicine President Elect
2011 – 2012	North American Menopause Society President
2013 – 2015	President, American Institute of Ultrasound in Medicine
2014 – Present	Board of Trustees, International Menopause Society
2015 – 2019	American College of Radiology Committee on O-RADS

2015 – 2017	Past President, American Institute of Ultrasound in Medicine
2016 – 2018	Treasurer, International Menopause Society
2018 – 2020	President-Elect, International Menopause Society
2019 – Present	Society of Academic Specialists in General Obstetrics and Gynecology Member
2020 – 2022	President, International Menopause Society
2023 – Present	Past President, International Menopause Society
2024 – Present	Executive, Council of Affiliated Menopause Societies, International Menopause Society
2025 – Present	Trustee, International Society of Ultrasound in Obstetrics and Gynecology

---

## PROFESSIONAL ACTIVITIES

### TEACHING:

Founder and Faculty Advisor  
Residents Journal Club  
New York University-Bellevue Hospital Center  
1979 – 1995

Liaison Physician Ob-Gyn Department to  
Ultrasound Laboratory, Radiology Department,  
Bellevue Hospital Center  
1980 – 1993

Director of Ultrasound  
Women's Wellness Center  
New York University Medical Center  
1993 – 1995

Coordinator  
Ob-Gyn Departmental Weekly Staff Conference  
1987 – Present

Director of Gynecologic Ultrasound  
Department of Obstetrics and Gynecology

New York University Medical Center  
1995 – 2020

Co-Director, Bone Densitometry Unit  
Department of Obstetrics and Gynecology  
New York University Medical Center  
1997 – 2016

Associate Director  
Third Year Medical Student  
Clinical Clerkship  
New York University School of Medicine  
2008 – 2020

Data Safety and Monitoring Boards (DSMB) and Adjudication Committees:

ICON Clinical Research	Iron Study DSMB Chair (Amag Pharmaceuticals)	2010-2012
Parexel Clinical Research	Pregnancy Review Committee Chair (Agile Therapeutics)	2014-2016
IBSA (Institut Biochimique SA – Switzerland)	Hormone Study Ultrasound Reviewer	2016-2018
Parexel Clinical Research	Pregnancy Review Committee Chair (Evoform Biosciences)	2017-2019
ICON Clinical Research	Phase 3 Trial DSMB Chair (Mithra Pharmaceuticals)	2019-Present
ICON Clinical Research	Preeclampsia Study DSMB Chair (Amag Pharmaceuticals)	2019-2020
Bayer	Elinzanetant Development Program	2022-Present
Pfizer	Estring Validation Study Endpoint Adjudication Committee	2022-Present

ACADEMIC INTERESTS:

Ultrasound in Gynecology, with special emphasis on endovaginal scanning, evolution of early pregnancy failure, menopause, routine office use, saline infusion sonohysterography, abnormal uterine bleeding, tamoxifen surveillance, three-dimensional scanning technology

Gender Specific Medicine

Selective Estrogen Receptor Modulation (SERM) for Postmenopausal Women's Health

Clinical Management of Perimenopausal and Menopausal Women

Diagnosis, Prevention and Treatment of Osteoporosis

Female Sexual Dysfunction

Breast cancer chemoprevention

Prenatal genetic diagnosis in recurrent pregnancy loss

Postgraduate education

Lecturer  
New York University School of Diagnostic Ultrasound  
New York, New York  
1984

Course Director, Faculty Member  
New York University Postgraduate Medical School  
The Department of Obstetrics and Gynecology  
"Third Annual Obstetrical Ultrasound Course"  
New York, New York  
June 1984

Program Participant  
American College of Obstetrics and Gynecology  
Annual Clinical Meeting  
"Are we doing amniocentesis on the right people for the right reasons?"  
1984

Faculty Member  
New York University Postgraduate Medical School

The Department of Radiology Ultrasound Course  
New York, New York  
October 1984

Faculty Member  
Case Western Reserve Medical School and  
Cleveland Metropolitan Hospital Course  
"Advanced Ultrasound"  
Cleveland, Ohio  
April 1985

Course Director, Faculty Member  
New York University Postgraduate Medical School  
The Department of Obstetrics and Gynecology  
"Fourth Annual Basic Obstetrical Ultrasound Seminar"  
New York, New York  
June 1985

Faculty Member  
American College of Obstetrics and Gynecology  
Postgraduate Course  
"Basic Ultrasound"  
Atlantic City, New Jersey  
August 1985

Faculty Member  
New York University Postgraduate Medical School  
The Department of Radiology  
Ultrasound Course  
New York, New York  
October 1985

New York University School of Medicine  
Department of Radiology  
Resident Lecture Series  
New York, New York  
1985

Program Participant  
American Institute of Ultrasound in Medicine  
Original Ob-Gyn Paper Presentation  
"Combined Sonographic-Pathologic Surveillance in Elective First Trimester  
Terminations"  
October 1986

"Stump The Professors", Film Panelist

American Institute of Ultrasound in Medicine  
October 1986

Program Participant  
American College of Obstetrics and Gynecology  
Annual Clinical Meeting  
"Pregnancy Termination Surveillance - Is Ultrasound the Answer?"  
April 1987

Faculty Member  
New York State Diagnostic Medical Sonographer's Course  
May 1987

Course Director, Faculty Member  
New York University Postgraduate Medical School  
The Department of Obstetrics and Gynecology  
"Fifth Annual Obstetrical Ultrasound Seminar"  
June 1987

Grand Rounds Speaker  
Jersey Shore Medical Center  
"Early Pregnancy Scanning"  
September 1987

Meet The Professors Session  
American Institute of Ultrasound in Medicine  
"Early Pregnancy Scanning"  
October 1987

Scientific Exhibitor  
American Institute of Ultrasound in Medicine  
Annual Meeting  
"Very Early Pregnancy Detection with Intravaginal Ultrasound"  
October 1987

Guest Lecturer  
New York State Society of Diagnostic Medical Sonographers  
"The Endovaginal Approach to Early Pregnancy"  
October 1987

Faculty Member  
Mt. Sinai School of Medicine Course  
"Endovaginal Ultrasound: It's Application for IVF and Gynecology"  
New York, New York  
November 1987

Grand Rounds  
Cornell University - N.Y. Hospital  
Department of Obstetrics and Gynecology  
"Early Pregnancy Scanning"  
New York, New York  
November 1987

Faculty Member  
Columbia University College of Physicians and Surgeons  
"Transvaginal Sonography: Clinical Applications"  
New York, New York  
March 1988

Faculty Member  
The International Association for Endosonography  
"Endovaginal Sonography"  
Orlando, Florida  
March 1988

Faculty Member  
New York University Postgraduate Medical School  
The Department of Ob-Gyn  
"Menopausal Estrogens"  
April 1988

Program Participant  
American College of Gynecology  
Annual Clinical Meeting  
Original Ob-Gyn Paper Presentation  
"Potential Role of Ultrasound in the Conservative Management of the Postmenopausal  
Cystic Adnexal Mass"  
May 1988

Visiting Professor  
Center of Excellence  
Tampa Women's Hospital  
Tampa, Florida  
September 1988

World Federation of Ultrasound in Medicine and Biology  
Plenary Session Speaker in "Endovaginal Ultrasound"  
Washington, DC  
October 1988

American Institute of Ultrasound in Medicine  
Meet The Professors Session

"Endovaginal Ultrasound in Early Pregnancy"  
October 1988

Grand Rounds Speaker  
"Vaginal Ultrasound in Perspective"  
Department of Obstetrics and Gynecology  
Columbia Presbyterian Medical Center  
New York, New York  
November 1988

Course Director, Faculty Member  
"Practical Vaginal Sonography"  
Co-sponsored Edusonics, American Institute of Ultrasound in Medicine  
Dallas, Texas  
November 1988

Grand Rounds Speaker  
Beekman Downtown Hospital  
"Early Pregnancy Ultrasound"  
New York, New York  
December 1988

Guest Speaker  
New Jersey Ultrasound Society  
"Early Pregnancy Ultrasound"  
January 1989

Course Director, Faculty Member  
"Practical Vaginal Sonography"  
Co-sponsored Edusonics, American Institute of Ultrasound in Medicine  
Baltimore, Maryland  
January 1989

Grand Rounds Speaker  
"Early Pregnancy Ultrasound"  
Long Island Jewish Hospital  
Lake Success, New York  
January 1989

Course Director, Faculty Member  
American Institute of Ultrasound in Medicine  
Annual Meeting  
"Endovaginal Ultrasound"  
April 1989

Faculty Member

Downstate Medical Center Annual Spring  
Symposium in Diagnostic Ultrasound  
New York, New York  
April 1989

Program Participant  
American Clinical Meeting of American College of Ob-Gyn  
Clinical Seminar in Vaginal Ultrasound  
Atlanta, Georgia  
May 1989

Course Director, Faculty Member  
Seventh Annual Ob-Gyn Ultrasound Course  
"Endovaginal Sonography"  
New York University Postgraduate School of Medicine  
June 1989

Faculty Member  
Vanderbilt University Postgraduate Course  
"Diagnostic Imaging"  
Panama City, Florida  
June 1989

Faculty Member  
Hohler-Gottesfeld Memorial Foundation Course  
"Endovaginal Ultrasound"  
Denver, Colorado  
June 1989

Visiting Professor  
First Annual C.D. Christian Alumni Society  
University of Arizona, Dept. of Ob-Gyn  
San Diego, California  
July 1989

Course Director, Faculty Member  
"Practical Vaginal Sonography"  
Co-Sponsored Edusonics, American Institute of Ultrasound in Medicine  
San Diego, California  
September 1989

Faculty Member  
Columbia University International Symposium  
"Transvaginal Sonography"  
New York, New York  
September 1989

Grand Round Speaker  
Endovaginal Ultrasound  
Booth Memorial Medical Center  
Flushing, New York  
October 1989

Faculty Member  
Sixteenth Annual Perinatal Regional Symposium  
Upstate Medical Center  
"Vaginal Sonography"  
Syracuse, New York  
October 1989

Grand Rounds Speaker  
"Early Pregnancy Ultrasound"  
Nassau County Medical Center  
Hempstead, New York  
October 1989

Course Director, Faculty Member  
"Practical Vaginal Sonography"  
Co-Sponsored Edusonics and American Institute of Ultrasound in Medicine  
St. Louis, Missouri  
November 1989

Grand Rounds Speaker  
"Vaginal Ultrasound"  
Winthrop University Hospital  
Mineola, New York  
January 1990

Course Director, Faculty Member  
"Practical Vaginal Sonography"  
Co-Sponsored Edusonics and American Institute of Ultrasound in Medicine  
Atlanta, Georgia  
January 1990

Visiting Professor  
Baystate Medical Center  
Springfield, Massachusetts  
February 1990

Grand Rounds Speaker  
"Incorporating Vaginal Ultrasound into the Overall Gynecological Exam"  
Washington Hospital Center

February 1990

Course Director

"Masters Program in Ob-Gyn Ultrasound - Dialogues to usher in the 1990's".

Postgraduate Course of the American

Institute of Ultrasound in Medicine

New Orleans, Louisiana

March 1990

Faculty Member

Categorical Course in Ob-Gyn Ultrasound

American Institute of Ultrasound in Medicine Annual Meeting

New Orleans, Louisiana

March 1990

Program Participant

American Institute of Ultrasound in Medicine

Annual Meeting

Original Paper Presentation

"Endometrial Assessment by Vaginal Ultrasound Prior to Endometrial Sampling in Patients with Postmenopausal Bleeding"

American Institute of Ultrasound in Medicine

New Orleans, Louisiana

March 1990

Course Director

"Practical Vaginal Sonography"

Cosponsored Edusonics and American Institute of Ultrasound in Medicine

Meadowlands, New Jersey

April 1990

Course Director, Faculty Member

030 Postgraduate Course

"Vaginal Ultrasound for the Practicing Physician"

American College of Obstetrics and Gynecology Annual Clinical Meeting

San Francisco, California

May 1990

Program Participant

American College of Obstetrics and Gynecology

Annual Clinical Meeting

"Changing Demographics in Ultrasound"

May 1990

Program Participant

University of Ottawa

Ultrasound Symposium  
Ottawa, Ontario, Canada  
May 1990

Faculty Member  
Vaginal Sonography  
Hitachi Medical Systems  
Virginia Beach, Virginia  
June 1990

Grand Rounds Speaker  
The Stamford Hospital  
"Ultrasonography for the Gynecologist"  
Stamford, Connecticut  
June 1990

Faculty Member  
"Vaginal Ultrasound for the Practicing Physician"  
Columbia University Post Graduate Course  
New York, New York  
September 1990

Faculty  
Indiana Section American College of Obstetrics and Gynecology  
Annual Meeting  
Postgraduate Course  
"Vaginal Ultrasound"  
September 1990

Course Director  
"Practical Vaginal Sonography"  
Cosponsored Edusonics and American Institute of Ultrasound in Medicine  
Chicago, Illinois  
October 1990  
Tampa, Florida  
November 1990

District II ACOG Junior Fellows Meeting  
Martin Stone Ob Gyn Society  
Annual Meeting  
"New Developments in Vaginal Ultrasound"  
October 1990

Grand Rounds Speaker  
Vaginal Ultrasound in Ob Gyn  
North Shore University Hospital

New York, New York  
December 1990

Invited Speaker and Moderator  
"Ectopic Pregnancy"  
First World Congress  
International Society of Ultrasound in Ob-Gyn  
London, England  
January 1991

Course Director  
"Practical Vaginal Sonography"  
Cosponsored by Edusonics and American Institute of Ultrasound in Medicine  
Seattle, Washington  
January 1991

Course Director  
"Vaginal Ultrasound for the Practitioner"  
Presbyterian Hospital Department of Continuing Medical Education  
Dallas, Texas  
February 1991

Faculty Member  
Categorical Course  
American Institute of Ultrasound in Medicine  
Annual Meeting  
Atlanta, Georgia  
February 1991

Faculty Member  
"Meet the Professor"  
American Institute of Ultrasound in Medicine  
Annual Meeting  
Atlanta, Georgia  
February 1991

Faculty Member  
"Advanced Ultrasound for the Practicing Physician"  
American College of Ob Gyn  
Post Graduate Course  
Maui, Hawaii  
March 1991

Course Director  
"Basic and Advanced Vaginal Sonography"  
Cosponsored Edusonics and American Institute of Ultrasound in Medicine

Falls Church, Virginia  
April 1991

Invited Speaker  
16th Annual Los Angeles Radiologic  
Society Spring Diagnostic Conference  
Los Angeles, California  
April 1991

Course Director  
"Vaginal Sonography for the Practicing Clinician"  
060 Post Graduate Course  
American College of Ob Gyn  
Annual Clinical Meeting  
New Orleans, Louisiana  
May 1991

Program Participant  
"Changing Demographics in Ob Gyn U/S"  
American College of Ob Gyn  
Annual Clinical Meeting  
New Orleans, Louisiana  
May 1991

Invited Speaker  
"Ovarian Cancer"  
Brian Little Alumni Association of the University of Miami  
Miami, Florida  
May 1991

Invited Speaker  
Tuft's University School of Medicine  
"New Horizons in Ob-Gyn Ultrasound"  
Boston, Massachusetts  
September 1991

Course Director  
"Basic and Advanced Vaginal Zoography"  
Co-sponsored Edusonics and American Institute of Ultrasound in Medicine  
Los Angeles, California  
October 1991

Invited Speaker  
Advances in Pelvic Ultrasound  
Course on "Menopausal Estrogens"  
New York University School of Medicine

October 1991

Invited Speaker

"New Insights Into Normal and Abnormal

Early pregnancy Using Ultrasound"

Nassau Ob/Gyn Society

Great Neck, New York

October 1991

Grand Rounds Speaker

"Vaginal Ultrasound"

Metropolitan Hospital Center

New York, New York

November 1991

Course Director

"Basic and Advanced Vaginal Sonography"

Co-sponsored Edusonics and American Institute of Ultrasound in Medicine

Dallas, Texas

November 1991

Invited Speaker

12th Annual Baltimore-Washington

Operative Endoscopy

"Vaginal Ultrasound"

Baltimore, Maryland

December 1991

Course Director

Basic and Advanced Vaginal Sonography

Co-sponsored Edusonics and American Institute of Ultrasound in Medicine

New Orleans, Louisiana

January 1992

Faculty Member

"Meet the Professors"

American Institute of Ultrasound in Medicine

San Diego, California

March 1992

Faculty Member

11th International Symposium on Perinatal Medicine and Obstetrical Ultrasound

Las Vegas, Nevada

March 1992

Program Director

Vaginal Sonography 1992  
Co-sponsored Edusonics and American Institute of Ultrasound in Medicine  
Cleveland, Ohio  
April 1992

Program Participant  
"The Ultrasound Enhanced Bimanual Exam"  
American College of Ob-Gyn  
Annual Clinical Meeting  
Las Vegas, Nevada  
April 1992

Course Director  
"Vaginal Sonography for the Practicing Physician"  
060 Post Graduate Course  
American College of Ob-Gyn  
Annual Clinical Meeting  
Las Vegas, Nevada  
April 1992

Visiting Professor  
Memorial Hospital Dept of Ob-Gyn  
Colorado Springs, Colorado  
May 1992

Guest Speaker  
Albert Einstein College of Medicine  
"Controversies in Gynecologic Oncology"  
Bronx, New York  
October 1992

Course Director  
"Basic and Advanced Vaginal Sonography"  
Cosponsored Edusonics and American Institute of Ultrasound in Medicine  
Ft. Lauderdale, Florida  
October 1992

Course Director  
"Office Ultrasound for the Gynecologist"  
Sponsored by George Washington  
University Medical Center  
San Francisco, California  
November 1992

Course Director  
"Basic and Advanced Vaginal Sonography"

Cosponsored Edusonics and American Institute of Ultrasound in Medicine  
Washington, D.C.  
January 1993

Faculty Member  
"Vaginal Sonography for Ob/Gyns"  
Rochester Ob Gyn Society  
Rochester, New York  
March 1993

Faculty Member  
"Uterine Disorders"  
Gynecologic Ultrasound Course  
American Institute of Ultrasound in Medicine  
Honolulu, Hawaii  
March 1993

Faculty Member, Categorical Course  
"R/O ectopic and beyond"  
American Institute of Ultrasound in Medicine  
Annual Meeting  
Honolulu, Hawaii  
March 1993

Meet The Professor  
"Ultrasound and The Post Menopause"  
American Institute of Ultrasound in Medicine  
Annual Meeting  
Honolulu, Hawaii  
March 1993

Grand Rounds Speaker  
"Pre Op Triage with Vaginal Ultrasound"  
Columbia Presbyterian Medical Center  
Department of Ob Gyn  
New York, New York  
April 1993

Course Director  
Advanced Obstetrical and Vaginal Ultrasound  
Cosponsored Edusonics and the American Institute of Ultrasound in Medicine  
Meadowlands, New Jersey  
April 1993

Faculty Member  
Obstetric and Gynecologic Ultrasound in Clinical Practice

Ohio State University  
Columbus, Ohio  
April 1993

Course Director  
"Vaginal Sonography for the  
Practicing Clinician"  
060 Post Graduate Course  
American College of Obstetrics and Gynecology  
Annual Clinical Meeting  
Washington, D.C.  
May 1993

Program Participant  
"Fluid Enhanced Vaginal Probe Ultrasound Can Eliminate the Need for Diagnostic  
Hysteroscopy"  
American College of Obstetrics and Gynecology  
Annual Clinical Meeting  
Washington, D.C.  
May 1993

Invited Speaker  
37th Annual Hart Baker  
Ob Gyn Symposium  
Southern California Kaiser Permanente Group  
"Pre Op Triage with Vaginal Ultrasound"  
May 1993

Faculty Member  
Office Obstetric and Gynecologic Ultrasound  
Post Graduate Course of American College of Obstetrics and Gynecology  
San Francisco, California  
June 1993

Grand Rounds Speaker  
Preoperative Triage with Vaginal Ultrasound  
Cedar Sinai Medical Center  
Los Angeles, California  
May 1993

Guest Speaker  
Preoperative Triage with Vaginal Ultrasound  
Kaiser Permanente  
37th Annual T. Hart Baker, M.D.  
Obstetrics and Gynecology Symposium  
Long Beach, California

May 1993

Course Director  
Ultrasound in Gynecology  
Cosponsored American Institute of Ultrasound in Medicine  
Naples, Florida  
October 1993

Invited Faculty Member  
Bowman Gray School of Medicine  
Advanced Ultrasound Course  
Amelia Island, Florida  
October 1993

Plenary Session Speaker  
"Fluid Enhanced Endometrial Assessment"  
World Congress in Ultrasound and Obstetrics & Gynecology  
Las Vegas, Nevada  
October 1993

Visiting Professor  
Gynecologic Ultrasound  
Medical College of Augusta  
November 1993

Course Director  
The Contemporary Challenges of Gynecology  
Cosponsored American Institute of Ultrasound in Medicine  
Baltimore, Maryland  
December 1993

Course Director  
Masters in Ob Gyn Ultrasound  
Cosponsored American Institute of Ultrasound in Medicine  
Atlanta, Georgia  
January 1994

Meet the Professor  
"The Role of Ultrasound and Menopause"  
American Institute of Ultrasound in Medicine  
Annual Meeting  
Baltimore, Maryland  
March 1994

Course Director  
Masters in Ob Gyn Ultrasound

Cosponsored American Institute of Ultrasound in Medicine  
Chicago, Illinois  
April 1994

Invited Faculty Member  
Vanderbilt University Medical Center  
Ultrasound in Ob Gyn  
Nashville, Tennessee  
May 1994

Invited Faculty Member  
Vaginal Sonography for the Practicing Physician  
American College of Obstetrics and Gynecology  
Annual Clinical Meeting  
Orlando, Florida  
May 1994

Program Participant  
"Unusual ultrasonographic appearance of the uterus in patients receiving tamoxifen"  
American College of Obstetrics and Gynecology  
Annual Clinical Meeting  
Orlando, Florida  
May 1994

Program Participant  
"Use of ultrasonohysterography for triage of perimenopausal patients with unexplained  
uterine bleeding"  
American College of Obstetrics and Gynecology  
Annual Clinical Meeting  
Orlando, Florida  
May 1994

Invited Faculty Member  
Progress in Obstetrics: A Current Update  
University MacDonal Women's Hospital  
Cleveland, Ohio  
June 1994

Faculty Member  
American College of Obstetrics and Gynecology  
Postgraduate Course  
Office Ultrasound  
Mackinaw Island, Michigan  
August 1994

Faculty Member

Southwest Obstetrics Gyn Society  
Annual Meeting  
Tucson, Arizona  
September 1994

Invited Speaker  
Fairfield County Obstetrics Gyn Society  
Ultrasound in Gynecology  
Darien, Connecticut  
October 1994

Invited Speaker  
Fourth World Congress on Ultrasound in Obstetrics and Gynecology  
New Insights into Early Pregnancy Failure  
Budapest, Hungary  
October 1994

Course Director  
Masters in Obstetrics Gyn Ultrasound  
Co-sponsored American Institute of Ultrasound In Medicine  
New York, New York  
October 1994

Faculty Member  
"Recent Advances in Transvaginal Sonography"  
SUNY Downstate, ACOG District II  
New York Obstetrical Society  
Brooklyn, New York  
December 1994

Grand Rounds Speaker  
"The Role of Ultrasound in Menopause"  
Mount Sinai School of Medicine  
New York, New York  
December 1994

Faculty Member  
American Institute of Ultrasound in Medicine  
Ultrasound Imaging in the Acutely Ill Patient  
San Francisco, California  
March 1995

Meet the Professor  
"The Role of Ultrasound in Menopause"  
American Institute of Ultrasound in Medicine  
Annual Meeting

San Francisco, California  
March 1995

Course Director  
Clinical Obstetrics/Gyn Ultrasound  
Cosponsored by The American Institute of  
Ultrasound in Medicine  
Washington, D.C.  
April 1995

Guest Faculty Speaker  
Advanced Ultrasound and Endoscopic Surgery  
University of Louisville  
School of Medicine  
Louisville, Kentucky  
April 1995

Program Participant  
American College of Obstetricians and Gynecologists  
Annual Clinical Meeting  
"Gynecologic Surveillance for the Breast Cancer Patient Receiving Tamoxifen"  
San Francisco, California  
May 1995

Faculty Member  
American College of Obstetrics and Gynecology  
Annual Clinical Meeting  
Post Graduate Course  
"Transvaginal Ultrasound for the Practicing Clinician"  
San Francisco, California  
May 1995

Guest Faculty Speaker  
Women's Diagnostic Imaging: 1995  
Harvard Medical School and  
Brigham and Women's Hospital  
Department of Radiology  
Boston, Massachusetts  
May 1995

Invited Guest Speaker  
Los Angeles Obstetrics/Gyn Society  
Ultrasound in Obstetrics/Gyn  
Los Angeles, California  
September 1995

Invited Guest Speaker  
Hohler Gottesfeld Foundation  
"Think Tank" for the Future of Obstetrics/Gyn Ultrasound  
Lake Arrowhead, California  
September 1995

Invited Speaker  
"Reducing Hysterectomy in the Peri and Postmenopausal Patient"  
North American Menopause Society  
Annual Meeting  
San Francisco, California  
September 1995

Guest Faculty Speaker  
SDMS Twelfth Annual and Exhibition  
Atlanta, Georgia  
September 1995

Guest Faculty Speaker  
Fourth Annual Review of Obstetrics and Gynecology  
Sponsored by Perinatal Resources  
Lake Buena Vista, Florida  
October 1995

Guest Faculty Speaker  
Advanced Applied Ultrasound in Obstetrics  
Bowman Gray School of Medicine  
New Orleans, Louisiana  
October 1995

Course Director  
"Office Ultrasound for the Gynecologist"  
American College of Obstetrics and Gynecology  
Chicago, Illinois  
November 1995

Guest Speaker  
Fifth World Congress of Ultrasound in Obstetrics and Gynecology  
Kyoto, Japan  
November 1995

Faculty Member  
Update in Obstetrics and Gynecology Ultrasound  
Hohler Gottesfeld Foundation  
Boca Raton, Florida  
December 1995

Guest Speaker  
"New Insights into Early Pregnancy and its Failure"  
Oconee Memorial Hospital  
Anchor Radiology  
Seneca, South Carolina  
December 1995

Grand Rounds Speaker  
"Saline Infusion Sonohysterography"  
Women and Infants Hospital  
Providence, Rhode Island  
March 1996

Invited Faculty Member  
American Institute of Ultrasound in Medicine  
Annual Meeting  
Categorical Course  
"Imaging in the Infertile Couple"  
New York, New York  
March 1996

Meet The Professor  
American Institute of Ultrasound in Medicine  
Annual Meeting  
New York, New York  
March 1996

Guest Faculty Speaker  
Ultrasound/Women's Imaging  
Harvard Medical School  
Brigham and Women's Hospital  
Boston, Massachusetts  
April 1996

Program Participant  
American College of Obstetrics and Gynecology  
Annual Clinical Meeting  
"Selective Estrogen Receptor Modulation (SERM): Designer Estrogens for the 21st Century"  
Denver, Colorado  
April 1996  
Course Director  
American College of Obstetrics and Gynecology  
"Office Ultrasound in Gynecology"  
Denver, Colorado

April 1996

Program Participant

American College of Obstetrics and Gynecology

Annual Clinical Meeting

"Saline Infusion Sonohysterography (SIS) Can Lower Healthcare Costs Associated With Abnormal Uterine Bleeding"

Denver, Colorado

April 1996

Program Participant

American College of Obstetrics and Gynecology

Annual Clinical Meeting

"The Role of Ultrasound in the Surveillance of Women Receiving Tamoxifen"

Denver, Colorado

April 1996

Grand Rounds Speaker

"New Insights into Early Pregnancy and its Failure"

New Rochelle Hospital Medical Center

New Rochelle, New York

May 1996

Guest Speaker

Gynecology Service Grand Rounds

"Ultrasound and the Endometrium"

Memorial Sloan Kettering Cancer Center

New York, New York

May 1996

Guest Speaker

Westchester Educational Day Program

"Sonography in Early Pregnancy"

"Saline Infusion Sonohysterography"

New York Medical College

Valhalla, New York

May 1996

Guest Speaker

"Update in Obstetrics and Gynecology Ultrasound"

American Institute of Ultrasound in Medicine

Miami, Florida

June 1996

Guest Speaker

Advanced Sonography Symposium in Obstetrics and Gynecology

"Saline Infusion Sonohysterography"  
"Ultrasound in the Evaluation of the Postmenopausal Patient"  
Harvard Medical School  
Boston, Massachusetts  
September 1996

Guest Speaker  
The North American Menopause Society  
7th Annual Meeting  
"Screening and Monitoring Endometrial Response to Tamoxifen Therapy for Breast Cancer"  
Chicago, Illinois  
September 1996

Course Director/Scientific Chairperson  
American College of Obstetricians and Gynecologists - District II  
Stockholm, Sweden  
October 1996

Invited Speaker  
6th World Congress of  
Ultrasound in Obstetrics and Gynecology  
Rotterdam, Amsterdam  
October 1996

Invited Speaker  
The Third World Conference on Early Pregnancy  
Atlantic City, New Jersey  
October 1996

Guest Faculty  
Advanced Ultrasound Techniques in Obstetrics and Gynecology  
"Saline Infusion Sonohysterography"  
"The Use of Ultrasound in Menopausal Patients"  
"New Insights into Early Pregnancy and its Failure"  
Good Samaritan Regional Medical Center  
Phoenix, Arizona  
November 1996

Course Chairman  
Masters Symposium on Ultrasound in Ob/Gyn by IAME  
"Saline Infusion Sonohysterography:  
A New Approach to the Patient with Abnormal Bleeding"  
"Ultrasound Aspects of Menopause"  
"Early Pregnancy Failure"  
New York, New York

November 1996

Grand Rounds Speaker  
Columbia University  
Sloane Hospital for Women  
New York, New York  
November 1996

Course Speaker  
ACOG: Ultrasound in Obstetrics and Gynecology  
"New Insights into Early Pregnancy and its Failure"  
"Saline Infusion Sonohysterography (SIS): A New Approach for Ultrasound based triage of Patient with Abnormal Bleeding"  
"The Use of Ultrasound in Menopausal Patients"  
January 1997

Grand Rounds Speaker  
Ultrasound Based Triage of Patients with Abnormal Uterine Bleeding  
University of Texas Medical Center  
Houston, Texas  
April 1997

Grand Rounds Speaker  
Ultrasound Based Triage of Patients with Abnormal Uterine Bleeding  
Baylor University  
Houston, Texas  
April 1997

Grand Rounds Speaker  
Ultrasound Based Triage of Patients with Abnormal Uterine Bleeding  
Southwest Memorial Hospital  
Houston, Texas  
April 1997

Program Participant  
American College of Obstetrics and Gynecology  
Annual Clinical Meeting  
Ultrasound Based Triage of Patients with Abnormal Uterine Bleeding  
Selective Estrogen Receptor Modulator (SERMS) -  
A revolutionary new approach to hormone replacement  
April 1997

Faculty Member  
Second Annual American Conference on Ultrasound

Update in Obstetrics and Gynecology Ultrasound  
"Use of Ultrasound in Menopausal Patients"  
"Saline Sonohysterography"  
"Pitfalls of Vaginal Ultrasound"  
Miami Beach, Florida  
June 1997

Lewis Shenker Visiting Professor  
Use of Gynecological Ultrasound in the Triage of Women with Vaginal Bleeding.  
University of Arizona  
Tucson, Arizona  
June 1997

Invited Speaker  
Clinical Applications of Selective Estrogen Receptor Modulators  
In the Managements of Postmenopausal Women  
National Osteoporosis Foundation Annual Meeting  
Washington, D.C.  
June 1997

Invited Speaker  
Uterine Safety with Raloxifene  
World Federation, Ob-Gyn (FIGO)  
Copenhagen, Denmark  
August 1997

Invited Faculty Member  
14th Annual Advanced Ob-Gyn Ultrasound Course  
University of Tennessee  
Knoxville, Tennessee  
September 1997

Grand Rounds Speaker  
"Ultrasound triage of patients with abnormal uterine bleeding"  
New York University School of Medicine  
New York, New York  
September 1997

Invited Workshop Speaker  
"How to manage uterine bleeding"  
North American Menopause Society  
Boston, Massachusetts  
September 1997

Invited Speaker  
"Selective Estrogen Receptor Modulators"

Approaches to Prevention of Postmenopausal Osteoporosis: The impact of Emerging Therapies

Eli Lilly & Company  
New York, New York  
September 1997

Invited Speaker

“The (SIS) Saline Infusion Sonographic Approach”

Tamoxifen and the Uterus: Potential Uterine Risks of Antiestrogens

International Meeting

Brussels, Belgium

December 1997

Faculty Member

“Should the Gynecologic practitioner scan?”

“How to Get Started” “Ectopic Pregnancy for Clinicians”

“Surveillance of the Patient on Tamoxifen”

“The Use of Ultrasound in the Menopausal Patient”

“Early Pregnancy Loss-Evaluate after the first loss”

“Pitfalls and Pearls of Endovaginal Sonography”

“Saline Infusion Sonohysterography”

“The Ultrasound enhanced Bimanual Exam: More than Just Anatomy”

Clinical Innovations in Ob/Gyn Ultrasound sponsored by IAME

Fort Lauderdale, Florida

January 1998

Grand Rounds Speaker

“SERMs (Selective Estrogen Receptor Modulators)”

North Westchester Medical Center

Westchester, New York

January 1998

Grand Rounds Speaker

“SERMs (Selective Estrogen Receptor Modulators)”

Metropolitan Hospital

New York, New York

February 1998

Grand Rounds Speaker

“SERMs (Selective Estrogen Receptor Modulators)”

Morristown Medical Center

Morristown, New Jersey

February 1998

Invited Faculty

“The Use of Ultrasound in the Postmenopausal Patient”

“Early Pregnancy Failure: Current Diagnosis and Future Trends”  
“Ultrasound Based Triage for Patients with Abnormal Uterine Bleeding”  
21st Annual Advanced Ultrasound Seminar: Ob/Gyn  
Orlando, Florida  
February 1998

Grand Rounds Speaker  
“Selective Estrogen Receptor Modulators (SERMs)  
What are they? Where do they fit in clinically?”  
New York University Medical Center  
New York, New York  
March 1998

Grand Rounds Speaker  
“Selective Estrogen Receptor Modulators (SERMs)  
What are they? Where do they fit in clinically?”  
Englewood Hospital  
Englewood, New Jersey  
March 1998

Grand Rounds Speaker  
“Selective Estrogen Receptor Modulators (SERMs) What are they? Where do they fit  
in clinically?”  
New York Hospital Center of Queens/Booth Memorial  
Flushing, New York  
April 1998

Grand Rounds Speaker  
Selective Estrogen Receptor Modulators (SERMs) What are they? Where do they fit in  
clinically?”  
New York Hospital - Cornell Medical Center  
New York, New York  
April 1998

Grand Rounds Speaker  
“Selective Estrogen Receptor Modulators (SERMs) What are they? Where do they fit  
in clinically?”  
Overlook Hospital  
Summit, New Jersey  
April 1998

Invited Speaker  
Clinical Decision Making in Postmenopausal Health: Integrating New Alternatives  
“Selective Estrogen Receptor Modulators (SERMs): What are they? Where do they fit  
in clinically?”  
CoMed Communications/Institute for Continuing Healthcare Education

New York, New York  
April 1998

Invited Faculty

“Ultrasound Based Triage for Abnormal Uterine Bleeding”

“Use of Ultrasound to Reduce Surgical Intervention in Menopausal Patients”

“Pregnancy Loss: Does it have to Recur to Deserve an Evaluation?”

Los Angeles Radiological Society 23rd Annual Diagnostic Ultrasound Conference  
May 1998

Program Chairperson and Faculty

“SERMs and Postmenopausal Women in the Managed Care Setting”

“Selective Estrogen Receptor Modulators (SERMs) and Postmenopausal Women”

New York, New York

June 1998

Conference Faculty

SERMs and Postmenopausal Health 1998 National Audio conference Series “Use of SERMs among postmenopausal women” “Disease prevention after Menopause: The impact of emerging therapies”

Audio conference

July - September 1998

Guest Faculty

Selective Estrogen Receptor Modulators (SERMs)

A new compound to extend postmenopausal health

39th Annual Symposium

“Trends in Obstetric and Gynecology”

New York Academy of Medicine

New York, New York

October 1998

Faculty Speaker

SERMs: Osteoporosis and Breast Cancer Prevention

“Boning Up on Osteoporosis”

New York University School of Medicine

New York, New York

October 1998

Invited Speaker

Advanced Ultrasound

Harvard Medical School

Boston, Massachusetts

October 1998

Course Director

Clinical Innovations in Ob/Gyn Ultrasound  
Institute for Advanced Medical Education  
Dallas, Texas  
October 1998

Invited Speaker  
“Selective Estrogen Receptor Modulators (SERMs):  
A New Compound for Extending Postmenopausal Women’s Health”  
Tampa Ob/Gyn Society  
Tampa, Florida  
October 1998

Grand Rounds Speaker  
New Insights into Early Pregnancy and Its Failure  
University of South Florida  
Tampa, Florida  
October 1998

Guest Speaker  
Les dilemmas que pose la pharmacotherapie aux femmes en postmenopause  
“Consideration nouvelles dans la gestion de la sante de la femme en postmenopae”  
McGill University  
Quebec, Canada  
October 1998

Co-Director  
Advanced Ob/Gyn Ultrasound  
Best of the Big Apple  
Institute for Advanced Medical Education  
New York, New York  
November 1998

Invited Speaker  
8th World Congress on Ultrasound in Obstetrics and Gynecology  
"Ultrasound approach to Abnormal Uterine Bleeding"  
Edinburgh, Scotland  
November 1998

Grand Rounds Speaker  
Department of OB/GYN  
University of California - Irvine  
"Selective Estrogen Receptor Modulators: New Compounds for  
Extending Post Menopausal Women's Health"  
Irvine, California  
December 1998

Faculty Member  
American Institute of Ultrasound in Medicine, Annual Meeting  
Categorical Course: "Breast Imaging for the Non Breast Imager" Drugs to Prevent  
Breast Cancer: Tamoxifen, Raloxifene and Beyond"  
San Antonio, Texas  
March 1999

Faculty Member  
American Institute of Ultrasound in Medicine Pre-Convention Course  
"Decreasing Surgical Intervention with Ultrasound"; "Use of Ultrasound in  
Postmenopausal Patients"  
San Antonio, Texas  
March 1999

Faculty Member  
New Frontiers in Reproductive Medicine; Serono Corporation  
"Ultrasound Based Triage for Abnormal Uterine Bleeding"  
Washington, D.C.  
March 1999

Guest Speaker  
Primary Care and Women's Health  
Second Annual Conference  
The American College of Ob/Gyns,  
New York State, and New York State  
Academy of Family Physicians  
April 1999

Grand Rounds Speaker  
St. Luke's Hospital  
"Selective Estrogen Receptor Modulators: New Compounds to Extend Postmenopausal  
Women's health"  
New York, New York  
April 1999

Faculty Member  
Advanced Comprehensive OB/GYN Ultrasound  
Royals Education  
Selected Topics  
Atlanta, Georgia  
May 1999

Program Participant  
American College of Ob/Gyn  
Annual Clinical Meeting  
"Perimenopause, menopause, postmenopause: It's all a transition"

"Breast cancer prevention for the gynecologist"  
Philadelphia, Pennsylvania  
May 1999

Program Participant  
Satellite Symposium ACOG Annual Meeting  
Albert Einstein College of Medicine  
SERMs in the Long Term Management of Postmenopausal Women  
"The Effects of SERMs on Breast and Uterus"  
Philadelphia, Pennsylvania  
May 1999

Grand Rounds Speaker  
Harlem Hospital Center  
"Selective Estrogen Receptor Modulators: New Compounds for Extending  
Postmenopausal Women's Health"  
New York, New York  
May 1999

Visiting Professor  
Resident Graduation-Teaching Day  
Albany Medical College  
Albany, New York  
June 1999

Faculty Member  
AIUM Practical Course  
"Practical Approach to Obstetrical and Gynecological Ultrasound: Optimize Your  
Skills"  
Crowne Plaza Manhattan  
New York, New York  
August 1999

Presenter  
The Department of Surgery  
"Breast Cancer Prevention"  
NYU School of Medicine, Alumni Hall  
New York, New York  
September 1999

Course Director  
OB/GYN Ultrasound 1999/2000  
Johns Hopkins University School of Medicine  
Chicago, Illinois  
October 1999

Surgery Grand Rounds  
"Breast Cancer Prevention"  
New York University Medical Center  
New York, New York  
September 1999

Grand Rounds Speaker  
Johns Hopkins University School of Medicine  
"Ultrasound Based Triage for Abnormal Uterine Bleeding"  
Baltimore, Maryland  
October 1999

Guest Speaker  
Evista (Raloxifene HCl)  
Charleston, South Carolina  
October 1999

Faculty Member  
Comprehensive Gynecology 1999  
Ultrasound in Gynecology: Current status of vaginal sonography in the new millennium  
New York, New York  
October 1999

Grand Rounds Speaker  
"Transvaginal Ultrasound in the Evaluation of Peri-and Post-menopausal Bleeding"  
UMDNJ  
Newark, New Jersey  
October 1999

Invited Speaker  
9th World Congress on Ultrasound in Obstetrics and Gynecology  
The use of Ultrasound in Early Pregnancy  
Buenos Aires, Argentina  
November 1999

Invited Speaker  
Update on raloxifene to prevent endometrial - breast cancer  
Flemish Gynecological Group  
Brussels, Belgium  
December 1999

Grand Rounds Speaker  
Ohio State University Department of Obstetrics and Gynecology  
"Saline Infusion Sonohysterography - An ultrasound based triage for abnormal uterine bleeding"  
January 2000

Grand Rounds Speaker  
Harvard Medical School Department of Radiology  
“Saline Infusion Sonohysterography - Its utilization in the evaluation of abnormal uterine bleeding”  
Boston, Massachusetts  
February 2000

Grand Rounds Speaker  
University of Pennsylvania Department of Obstetrics and Gynecology  
“The use of Ultrasound in the evaluation of abnormal uterine bleeding”  
February 2000

Faculty Member  
The American College of Ob/Gyn  
Update in Gynecology: New Technologies and Treatments for Common Problems  
Banff, Alberta  
March 2000

Invited Speaker  
Harvard Medical School  
Ultrasound/Women’s Imaging  
Boston, Massachusetts  
April 2000

Invited Speaker  
National Institute on Aging – National Cancer Institute  
NIH Workshop on SERMs  
Bethesda, Maryland  
April 2000

Grand Rounds Speaker  
University of Southern California School of Medicine  
SERMs  
Los Angeles, California  
May 2000

Grand Rounds Speaker  
Long Island Jewish Medical Center  
SERMs: New Compounds to Extend Postmenopausal Women’s Health  
Long Island, New York  
May 2000

Grand Rounds Speaker  
Wayne State University  
Ultrasound based triage for abnormal uterine bleeding

Detroit, Michigan  
June 2000

Grand Rounds Speaker  
Gouverneur Hospital  
Ultrasound based triage for abnormal uterine bleeding  
New York, New York  
June 2000

Invited Speaker  
XVI FIGO World Congress of Gynecology and Obstetrics  
The Effects of SERMs on the Breast and Uterus  
Washington, DC  
September 2000

Grand Rounds Speaker  
Massachusetts General Hospital  
SERMs: New Compounds to Extend Postmenopausal Women's Health  
Boston, Massachusetts  
September 2000

Faculty Member  
Comprehensive Gynecology 2000  
Current status of vaginal sonography in the new millennium  
New York, New York  
September 2000

Invited Speaker & Panelist  
Society of Radiologists in Ultrasound  
Non-Imaging Means of Assessing the Endometrium in Women with Post-Menopausal Bleeding  
One way of Triaging Patients with Post-Menopausal Bleeding  
Consensus Panel on Postmenopausal Bleeding  
Washington, DC  
October 2000

Guest Faculty  
Ella T. Grasso Conference  
Yale University School of Medicine  
SERMs for the practicing Obstetrician/ Gynecologist  
New Haven, Connecticut  
November 2000

Invited Guest Speaker  
New Haven Obstetrical Society  
Early Pregnancy and it's failure

New Haven, Connecticut  
November 2000

Faculty Member  
OB/GYN Ultrasound 2000  
The Role of ultrasound in the development of SERMs: Tamoxifen, Raloxifene and Beyond  
Sonographic Triage of Abnormal Uterine Bleeding (Sonohysterography)  
New insights into Early Pregnancy Failure  
New York, New York  
November 2000

Guest Speaker  
9<sup>th</sup> Annual Ob/Gyn Ultrasound Update for Clinical Practice  
Using Ultrasound to Triage Abnormal Uterine Bleeding  
Miscarriage or Healthy Pregnancy? Ultrasound Clues  
The Blessing and the Curse: Monitoring patients on Anti-Breast Cancer Drugs  
Fort Lauderdale, Florida  
December 2000

Course Director  
Ob/Gyn Ultrasound Setting Standard for Practice in 2001  
Assessing the patient with abnormal bleeding; Use of sonohysterography  
The Tamoxifen Story: Ultrasound in the management of women taking SERMs  
Atlanta, Georgia  
January 2001

Grand Rounds  
“Breast & Uterus effects of SERMs”  
University of Southern California  
San Francisco, California  
February 2001

Grand Rounds  
“Ultrasound Based Triage for Abnormal Uterine Bleeding”  
Boston University School of Medicine  
Boston, Massachusetts  
May 2001

Faculty Member  
“Ultrasound in Gynecology”  
American College of ObGyn  
Annual Clinical Meeting  
Chicago, Illinois  
April 2001

Invited Speaker  
4<sup>th</sup> International Symposium on Women's Health and Menopause  
The Many Faces of Postmenopausal Health  
Washington, D.C.  
May 2001

Invited Speaker  
Internal Menopause Society  
2<sup>nd</sup> IMS Workshop Hormone Replacement Therapy and Cancer  
"SERM Clinical update: Breast and uterine effects"  
Pisa, Italy  
June 2001

Faculty Member  
"Advanced Ultrasound"  
American College of ObGyn  
Postgraduate Course  
"Early Pregnancy and its Failure"  
"Ultrasound Evaluation of Abnormal Uterine Bleeding"  
"Ultrasound to Benefit the care of postmenopausal Women"  
"Ultrasound to Monitor Drug effects: The role of vaginal ultrasound in the development of SERMs"  
San Francisco, California  
July 2001

Faculty Member  
AIUM Millennium Course Series  
Practical Aspects of Obstetrical & Gynecological Ultrasound: Optimize your skills  
"Sonographic Evaluation of Early Pregnancy Bleeding"  
"Tamoxifen's effect on the Endometrium: The Plot Thickens"  
"Role of Ultrasound in the Perimenopausal women"  
New York, New York  
August 2001

Invited Speaker  
North American Menopause Society  
Annual Meeting  
"The use of ultrasound in postmenopausal women"  
New Orleans, Louisiana  
October 2001

Faculty Member  
Wake Forest University School of Medicine  
Advanced Applied Ultrasound in Obstetrics  
"Early Pregnancy and its Failure: The role of ultrasound"  
"Abnormal Uterine Bleeding from Puberty to Death: Ultrasound-based triage"

“Ultrasound Surveillance of Patients taking drugs that reduce Breast Cancer: The Plot Thickens”

New Orleans, Louisiana

October 2001

Invited Speaker

XII World Congress for ISSUOG

Melbourne, Australia

October 2001

Faculty Member

Comprehensive Gynecology 2001

“Current status of vaginal sonography in the new millennium”

New York, New York

October 2001

Grand Rounds

“The Gynecologic Effects of SERMs: The saga continues”

Mount Sinai

New York, New York

November 2001

Invited Speaker

Third Biennial International Meeting of the Flemish Gynaecological Oncology Group  
Endocrine Treatment & Prevention of Breast and Gynaecological Cancers

“1997’s Screening consensus debated?”

“An update on non-uterine gynecological effects of raloxifene”

Brussels, Belgium

December 2001

Faculty Member

World Foundation for Medical Studies in Female Health

“Update on Gynecologic effects of SERMs”

New York, New York

December 2001

Grand Rounds

“The only SERM for the Prevention and Treatment of Osteoporosis”

Rochester General Hospital

Rochester, New York

December 2001

Course Director

Ob/Gyn Ultrasound Master Series 2002-2003

“Early pregnancy: the good, the bad, the ugly”

“Sonographic aspects of menopause”

“Emerging uses of ultrasound in perimenopausal patients”  
“The role of ultrasound in the development of SERMs: The tamoxifen saga continues”  
San Antonio, Texas  
February 2002

Faculty

25<sup>th</sup> Annual Advanced Ultrasound Seminar: OB/GYN  
“Early pregnancy failure: Does it have to recur to deserve an evaluation?”  
“An ultrasound approach to abnormal uterine bleeding”  
“The role of ultrasound in the development and monitoring of SERMs: The tamoxifen controversy continues”  
Orlando, Florida  
February 2002

Faculty

“Is pelvic ultrasound indicated for patients with abnormal uterine bleeding?”  
“HRT: What we hope, what we know”  
“Early pregnancy failure: does it have to recur to deserve an evaluation?”  
“The tamoxifen –Endometrial controversy: The saga continues”  
ACOG-Controversies in Gynecology  
San Jose Del Cabo, Mexico  
February 2002

Guest Faculty

“Abnormal Uterine Bleeding: What is the role of ultrasound?”  
“Ultrasound in patients taking tamoxifen and other SERMs”  
Ultrasound/Women’s Imaging 2002  
Harvard Medical School  
Boston, Massachusetts  
April 2002

Course Director

“Early Pregnancy: the good, the bad, the ugly”  
“Sonographic aspects of menopause”  
“Emerging uses of ultrasound in perimenopausal patients”  
“The role of ultrasound in the development of SERMs: The tamoxifen saga continues”  
OB/GYN Ultrasound Master Series 2002-2003  
Chicago, Illinois  
April 2002

Course Director

Advanced Tutorial in Women’s Health  
Healthy Transitions from Peri-to-Postmenopause  
“Ultrasound –based triage for abnormal uterine bleeding”  
“Extending postmenopausal women’s health: the role of SERMs”  
“Update on gynecologic effects of SERMs: the saga continues”

New York, New York  
May 2002

Guest Speaker  
The American Gynecological and Obstetrical Society  
“Evaluation of endometrial Polyps”  
Hot Springs, Virginia  
September 2002

Grand Rounds  
St. Vincent Catholic Medical Centers  
“Saline Infusion Sonohysterography”  
New York, New York  
September 2002

Invited Speaker  
North American Menopause Society  
13<sup>th</sup> Annual Meeting  
“Abnormal Uterine Bleeding”  
Chicago, Illinois  
October 2002

Faculty Member  
Center for Bio-Medical Communications  
Comprehensive Gynecology  
A Clinical Update for the Practicing Physician  
“Innovations in Gynecologic Ultrasound”  
New York, New York  
October 2002

Guest Speaker  
The Brooklyn Gynecological Society  
“The use of ultrasound in triage of abnormal uterine bleeding”  
New York, New York  
October 2002

Guest Speaker  
Harvard Medical School  
Advanced Sonography Symposium in Ob/Gyn  
“Ultrasound in First Trimester Pregnancy Loss”  
“The Evaluation of Abnormal Uterine Bleeding”  
Boston, Massachusetts  
October 2002

Invited Speaker  
12th World Congress on Ultrasound in Obstetrics and Gynecology

Ob-Gyn Update 2002: Translating “Cutting Edge” into Clinical Practice  
New York, New York  
November 2002

Distinguished Faculty  
11<sup>th</sup> Annual Ob/Gyn Ultrasound Update for Clinical Practice  
Hohler Gottesfeld Foundation  
“Early pregnancy failure: Does it have to recur to deserve an evaluation:  
“The use of ultrasound in menopausal patients”  
Ft. Lauderdale, Florida  
December 2002

Guest Faculty  
Columbia University College of Physicians & Surgeons  
New Insights and Controversies in Post-Menopausal Health  
“Breast, Gynecological and Cognitive Effects of Menopause”  
New York, New York  
January 2003

Faculty  
Ob/Gyn Ultrasound Master Series 2002-2003  
“Early pregnancy: when it’s good, when it’s failed and what to do”  
“Role of ultrasound in perimenopausal patients including sonohysterography”  
“The role of ultrasound in the development of SERMs: Tamoxifen, Raloxifene &  
beyond”  
Atlantis, Paradise Island, Bahamas  
March 2003

Guest Speaker  
Mount Sinai Minimally Invasive Surgery Center  
An update in Most Common clinical Gynecological Problems including” Advanced  
operative gynecologic hysteroscopy surgery and laparoscopy  
“An ultrasound approach to abnormal uterine bleeding”  
“Gynecologic effects of selective estrogen receptor modulator’s (SERMs): The Saga  
Continues”  
New York, New York  
April 2003

Invited Faculty  
American College of Obstetrics and Gynecology  
Indiana Section  
Indianapolis, Indiana  
April 2003

Faculty  
Ob/Gyn Ultrasound Master Series 2002-2003

“Early pregnancy: when it’s good, when it’s failed and what to do”  
“Role of ultrasound in perimenopausal patients including sonohysterography”  
“The role of ultrasound in the development of SERMs: Tamoxifen, Raloxifene & beyond”  
Washington, D.C.  
May 2003

Guest Speaker  
The Leading Edge in Diagnostic Ultrasound  
Thomas Jefferson University School of Medicine  
“Abnormal uterine bleeding” Ultrasound based triage”  
“The role of ultrasound in the development and monitoring of SERMs (Tamoxifen, Raloxifene and beyond: The Controversy Continues”  
Philadelphia, PA  
May 2003

Invited Faculty
